Except as expressly stated herein, this Agreement does not grant You any rights to patents, copyrights, trade secrets, trademarks, or any other rights with respect to the Software. In addition, the Software utilizes other certain third-party Software components and programs ("Third-Party Software") which are also subject to their respective licensor's applicable terms and conditions. - (a) **Standalone License.** If you have purchased a standalone Software license, You may only install the Software on a single designated computer for production use by You or Your authorized user(s) on a non-concurrent basis. You may not network the Software under a standalone license, including using the Software as part of a server installation.
- (b) **Floating License.** If you have purchased a floating Software license, You may install the server Software on a single designated computer and install the client Software on multiple workstations or individual computers for production use by You or Your authorized user(s) on a concurrent basis, up to the number of authorized concurrent user licenses purchased under Your floating Software license. You may install the server Software on multiple designated computers only if You have purchased a multi-server production license for the Software.
- (c) **Development and/or Test Servers.** If authorized under your Software license, You may request and Extensis, at its discretion, may allow You to make additional copies of the Software to install on a development and/or test computer for each production license of the Software that You have purchased, provided (i) all copyright, patent, trade secret, trademark or other proprietary right or disclaimer appearing in or on the Software or any accompanying materials are reproduced on each Software copy; and (ii) such Software copies are not concurrently used for production purposes.

Upon moving the Software to another computer, You may not make use of the Software on the previous designated computer, in whole or in part, for any reason.

- 2.3** **WARNING.** The Software is not designed nor tested for a level of reliability suitable for use in any information system the failure of which can reasonably be expected to cause personal injury. The Software may contain bugs and inaccuracies and You can expect errors, anomalies, and incorrect results under normal use. This Software performs “lossy” data compression. You agree to take precautions to offset these risks such as to maintain full backups of storage media and to not use the Software where personal injury or property damage may result. Extensis or Extensis’ independent certified public accountant shall conduct such inspection and audit at Extensis’ expense. Any inspection and audit will be conducted during regular business hours with reasonable notice and will not unreasonably interfere with your normal business activities. Inspections and audits will not occur more frequently than once a year, however, if past inspections and audits reveal major discrepancies, Extensis shall have the right at any time to an inspection and audit upon written request. If any inspection and audit reveals any underreported, unpaid or unauthorized use of the Software, then you shall promptly pay to Extensis the then current fee representing the underreported, unpaid or unauthorized use of the Software. In addition, you will be responsible for the costs and expenses of the inspection and audit if such inspection and audit reveals that the then current fee representing the underreported, unpaid or unauthorized use of the Software is equal to or greater than 5% of the amounts actually paid by you for such Software.

This Agreement shall terminate automatically upon failure by You to comply with any of its terms. Upon any such termination and/or notification by Extensis of such termination, You must destroy the original and any copies of the Software. However, You agree that any provisions of this Agreement that operate to protect Extensis and/or its rights shall remain in full force and effect.

EXTENSIS DISCLAIMS ALL WARRANTIES ON THE SOFTWARE AND SERVICES, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OR OF ANY IMPLIED WARRANTY ARISING FROM COURSE OF PERFORMANCE, COURSE OF DEALING, USAGE OR TRADE, OR NONINFRINGEMENT. EXTENSIS DOES NOT WARRANT THAT THE SOFTWARE WILL BE (a) UNINTERRUPTED OR ERROR FREE IN OPERATION, (b) FREE FROM DEFECTS, (c) WILL MEET YOUR REQUIREMENTS, OR (d) WILL BE COMPATIBLE WITH OR OPERATE IN ANY COMBINATION WITH YOUR EQUIPMENT AND OTHER SOFTWARE PROGRAMS SELECTED BY YOU FOR USE WITH THE SOFTWARE. You may have other rights which vary from state to state or province to province.

5. **LIMITATION OF LIABILITY.** IN NO EVENT SHALL EXTENSIS BE LIABLE TO YOU FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES, INCLUDING ANY LOST DATA, DATA USE, PROFITS, REVENUE OR OPPORTUNITIES, EVEN IF A EXTENSIS REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. EXTENSIS’ LIABILITY FOR ANY OTHER DAMAGES SHALL IN NO EVENT EXCEED THE AMOUNT YOU PAID UNDER THIS AGREEMENT FOR THE SOFTWARE OR SERVICES WHICH CAUSED SUCH DAMAGES. THIS LIMITATION OF EXTENSIS’ LIABILITY FOR SOFTWARE AND SERVICES WILL APPLY REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT OR IN TORT INCLUDING BY NEGLIGENCE OR ANY OTHER BASIS. Some states may not allow the above exclusion or limitation of remedies or damages, so the above exclusions or limitations may not apply to You. You may have other rights which vary from state to state or province to province.

6. **Relationship between the Parties.** The relationship between the parties shall be that of licensee and licensor. Neither party will represent that it has any authority to assume or create any obligation, express or implied, on behalf of the other party, nor to represent the other party as agent, employee, franchisee, or in any other capacity.

7. **Open Source.** “Open Source” software—software available without charge for use, modification and distribution—is often licensed under terms that require the user to make the user’s modifications to the Open Source software or any software that the user ‘combines’ with the Open Source software freely available in source code form. If You use Open Source software in conjunction with the Software, You must ensure that Your use does not: (a) create, or purport to create, obligations for Extensis or its third-party licensors with respect to the Software; or (b) grant, or purport to grant, to any third party any rights to or immunities under Extensis or its third-party licensors’ intellectual property or proprietary rights in the Software. For example, You may not develop a software program using a Software program and an Open Source program where such use results in a program file(s) that contains code from both the Software program and the Open Source program (including without limitation libraries) if the Open Source program is licensed under a license that requires any “modifications” be made freely available. You also may not combine the Software with programs licensed under the GNU General Public License (“GPL”) in any manner that could cause, or could be interpreted or asserted to cause, the Software or any modifications thereto to become subject to the terms of the GPL.

8. **Third-Party Beneficiaries.** You acknowledge that third-party licensors of all or any part of the Software are intended beneficiaries of this Agreement including those provisions that address the protection of intellectual property rights in the Software. If Extensis fails to enforce any provisions, herein such third-party licensors may enforce such provisions against You.
9. **Export Control.** You agree that You will not export or re-export the Software or any direct product thereof without the appropriate United States or foreign government export licenses, notifications or approvals. By agreeing to this Agreement, You are certifying that You are not a national of an embargoed county, or otherwise a person with whom the U.S. government has prohibited trade.
10. **Force Majeure.** Extensis shall not be liable to You for any delay or failure by Extensis to perform its obligations under this Agreement or otherwise if such delay or failure arises from any cause or causes beyond the reasonable control of Extensis, including, but not limited to, labor disputes, strikes, other lab or industrial disturbances, acts of God, floods, lightning, shortages of materials, rationing, utility or communications failures, earthquakes, casualty, war, acts of the public enemy, riots, insurrections, embargoes, blockages, actions, restrictions, regulations or orders of any government, agency or subdivisions thereof.
11. **Severability.** Should any provision of this Agreement be deemed by a court of competent jurisdiction to be invalid, void, ineffective, unenforceable, or unlawful, under present or future laws, the remainder of the provisions shall remain in full force and effect and shall in no way be affected, impaired or invalidated. The failure of either party to enforce any provision of this Agreement shall not be deemed a waiver of that party's right to later enforce that provision or any other provision.
12. **Governing Law.** This Agreement will be governed by the laws in force in the State of Oregon, U.S.A., and shall exclude that body of law known as conflicts of law and the United Nations Convention on Contracts for the International Sale of Goods.
13. **Entire Agreement.** You acknowledge that You have read this Agreement, understand it and that it is the complete and exclusive statement of Your Agreement with Extensis, which supersedes any prior agreement, oral or written, between Extensis and You for the Software. Notwithstanding the above, if the Software is an upgrade, then the terms of the software license agreement for the Previous Version shall also apply as set forth in the IF THIS SOFTWARE IS AN UPGRADE provision above. No variation of the terms of this Agreement will be enforceable against Extensis unless Extensis gives its express consent, in writing signed by an officer of Extensis.
